WILSON COUNTY, September 10, 1867.

Wilson County, September 10, 1807.

Dr. J. Lawrence: Dear Sir—My youngest daughter, aged five years, has been dreadfully afficted with Scrofula nearly all her life. I tried a great many physicians, but without relieving her much; in fact, most of them said there was no hope of cure. During the last spring she was worse than ever; her body and limbs being covered with sores and blotches—with face and eyes badly ulce ated and swollen. While in this condition i was advised by Dr. L. A. Stith to try your Rosadalis. I at once procured three bottles, and commenced giving it to her. The effect was magical. In less than a month, to my great astonishment, she was entirely
